Dear Parent/Guardian:

From time to time during the school year, the administration of the school may be approached by various media organizations to interview, photograph or videotape students of the school as they engage in various events (for example, Sports Day, Fine Arts presentations, graduation photos etc.)

Saanich School District procedures require that this media consent form be used when:

- ▣▣▣▣ interviews are undertaken or when photos or videos are taken by the media or an outside organization, and where individual students are identified by name, or can be identified due to the clarity of the picture; and/or when
- ▣▣▣▣ photos or videos are taken by the District where individual students are identified and the material is to be used for purposes outside the school.
- ▣▣▣▣ artwork is used to illustrate notepapers, memos, newsletters, pamphlets or school booklets.
- ▣▣▣▣ writing is used in conjunction with newsletters, pamphlets or school booklets.
- ▣▣▣▣ artwork, writing or photographs are used on the School District website.

**PERMISSION – to be completed by the parent/guardian and returned to the child’s school as soon as possible.**

I have read the above information and give my consent for my child to be interviewed/photographed, videotaped, or use my child’s work to illustrate publications as described above during the 2009/10 school year.
