Christmas is coming...Order your Poinsettias!

Unfortunately, due to the huge demand for Poinsettias, Marigold Nurseries are expecting to run out of plants this year. Please place your order today.

ONLY A FEW DAYS LEFT!!!

Please return your order by **Monday, November 8th, 2010.**

A drop box will be located in each classroom including one by the office.

Please make cheques payable to **KHASA.**

Pick-up will be **Friday, December 10th, 10 - 3** at KHASA Corner (*by the gym entrance*).

Call Liza 250-652-4123 arpiseta03@yahoo.ca if you have any questions.

Fruit and Vegetable Program

Thanks to Heather and Liza for coordinating the program and bringing healthy food to our children. In November there will be 3 deliveries which are all on Tuesdays, the 2nd, 16th and 30th. The produce will be baby carrots, Asian pears and mixed organic apples. This year due to budget cuts to BC agriculture we will only be having one day of fruit and veggies not two days in a row like previous years.

MATH FUN NIGHT – was presented by Marilyn Pinder

There were tons (kilograms?) of tables set up with math activities and games. Adults and children alike were all challenged and had a lot of fun in the process. One of the highlights was the building contest with the marshmallows and spaghetti. When the adults and Marilyn were having a special discussion, the children were excused to the MP room for goodies. They were kept busy and happy. Thanks to the gals who supervised the students while they were enjoying the snacks.

Community Garage Sale

Will be happening Saturday, November 20th 8 am – 1 pm in the Gym.

Rent a table and bring in your excess stuff to sell. At the end of the night the Canadian Diabetes Association will pick up anything left over that you no longer want. Please book your table by Tuesday, November 9th through KHASA President, Chris Wakefield, khasa63@gmail.com or 250-508-0101.

Upcoming KHASA meetings and events

November 18th – KHASA General Meeting – 7 pm
