WELCOME BACK

The KHASA executive would like to welcome everyone back to school and we hope that everyone had an enjoyable break. The kids are ready to go back and are excited to be seeing their friends and teachers again.

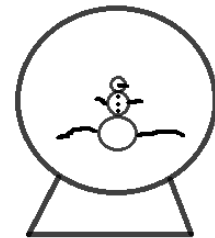

Hot Lunch – Parent Input Needed!!

There will be a presentation from Healthy Edge Foods www.healthyledge.ca at the next KHASA General Meeting, January 13th at 7pm. This is a great hot, healthy lunch option but there will be an increase in the costs to hot lunch. There will be samples to munch on and coffee to drink. Please come by and tell us what you think about the selection Healthy Edge hot lunch items. Anyone who would like to be involved with the hot lunch program or who is already, should definitely attend this meeting!!!

Parents of children with food allergies may also be interested in learning more about this program.

Winter Project

Thank you to all the students and their families (and some of the teachers & staff as well!) for their amazing snow globes which adorned the gym. Also thank you to the teachers and students for their great work in decorating the classroom doors. The school looked very festive! The students enjoyed touring through the school to see all the projects and received candy canes and oranges at the end of the tour - Thank you KHASA!

I would like to also thank all of my helpers, the Grade 4/5 students who helped with tracing and also all the Keating Mom's and Dad's that helped with hanging all of the snow globes - Thanks for all your hard work!

Tanya Adam

Christmas Hampers

Thank you to everyone who helped pull off the hamper program this year. This includes all the class hamper reps, the volunteers who helped wrap and organize the hampers on December 15th, the families who donated, Thrifty Foods, Jeanne Puritch, and of course, school admin (namely Margaret – she was a HUGE help). There were great stories of people who took the extra effort to raise funds for donations like a parent who organized a 50/50 draw at her staff party and raised money for the hamper and another parent who put together an extra hamper to family-in-need not previously identified. This means that the program helped 9 families and I can say that all were extremely grateful.

Helen Kobrc

Movie Night

On December 16th Keating Families met in the school gym and enjoyed the movie “Elf”. There was a mad rush on popcorn and KHASA executives and some spouses were frantically trying to pop enough popcorn. It was like the elves a couple of days before Christmas. Thank-you to Chris Wakefield and Andrew Bowler for helping to move storage items right in the midst of running movie night.

Up Coming Events

We will be having another car rally and family fun night in the next few months. The car rally last year was so much fun. Please watch for upcoming information regarding these two events.

*KHASA General Meeting – Thursday, January 13th at 7pm. Multipurpose Room
Please come give us feedback regarding hot lunch selections!*

KHASA Educational Night – Thursday, February 10th at 7pm. Multipurpose Room
