CALL FOR VOLUNTEERS

Emergency Preparedness

KHASA is asking for some parents to step up and help with the Emergency Preparedness Committee. Leila is our committee head but we need more people to sit on the committee. This has become a crucial need as the space we currently store our supplies in will no longer be available in about a month. We need to work out solutions to this problem and we need people that are familiar with our supplies as this is Leila's last year being involved with this committee.

Winter Project

Tanya Adam would like a volunteer or two to help with the Winter Project. Each family is given a poster board with a specific theme to decorate and then return to the school to be hung up on the Gym walls. Then we have a showing of all the posters and some holiday treats. Volunteers could help with the poster boards or hang posters on the gym walls.

If you are interested in any of these volunteer positions
please contact our
Volunteer Coordinator, Lori Beauvais or our President, Chris Wakefield.
Both can be reached at khasa63@gmail.com
